EXPERIENCES

"Its very good for my mental health and I enjoy the experience of singing in a group. I've been coming for 7 years now and I love it!"
Going for a Song participant

"Its helped me know what's going to happen in high school and what to be aware of and that sometimes maybe when you make new friends you might not agree with everyone...but it doesn't mean that you can't be friends..."
Many Voices participant

"Will definitely make sure I see future Attic productions. Loved the interactive style of the show."
